Dear (person in charge of outside vendor sales),

With everyone so busy these days, wouldn't it be nice if your employees could shop in the convenience of their workplace and donate to a good cause at the same time? They can, by shopping at my mobile sale!

I sell a popular line of women's fashions and accessories and am interested in booking a date to sell at your hospital (nursing home) as an outside vendor. Our clothing is all one size, packable, crushable EZ care fashions that are great for travel and every day. They're priced to sell, with many items under \$20.00, so there's something affordable for everyone. You can see the line at [www.magicscarf.com](http://www.magicscarf.com) and I'd love to show you pieces in person at your convenience.

I'll be happy to give your company a percentage of the sales to donate to your favorite charity or to work within whatever guidelines may currently exist for outside vendor sales.

I will call you this week to see what date works for you and your hospital (nursing home). I look forward to working with you!

Sincerely,
